Mr. SPEAKER.—What is the reply that he wants to know ?

Sri H. SIDDAVEERAPPA.—The reply stated is, as has been reported :

" A Demi-Official letter has been received from the Home Ministry to the personal address of the Chief Minister which has been treated as confidential as it ought to be. I do not think the Member expects me to disclose the contents of that letter. In course of correspondence if the point raised by my friend, namely, the allocation and the determination of finance on a federal basis, is included and if this Government would make an appropriate recommendation, that point would be borne in mind at the time of reply."

Mr. SPEAKER.—It is treated as confidential at this stage.

Sri H. SIDDAVEERAPPA.—That is under consideration.

Sri G. SIVAPPA.—Is it not a fact that the Minister for Education gave an assurance to the House that he would place all the amendments before this House ?

Mr. SPEAKER.—When it is finalised, it will be considered.
